

## Clearview Elegance

### *Elegance*

'graceful and stylish, pleasingly ingenious and simple'  
(Oxford Dictionary)

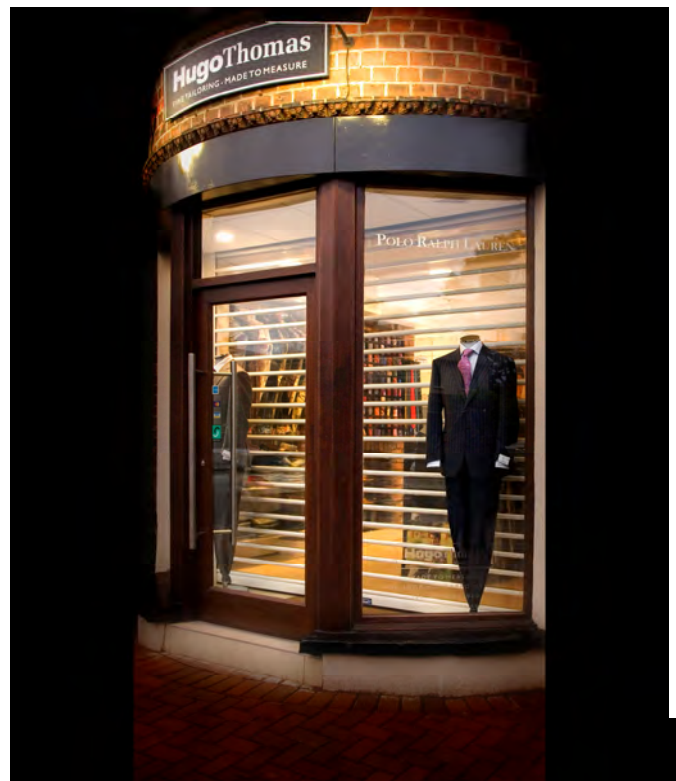

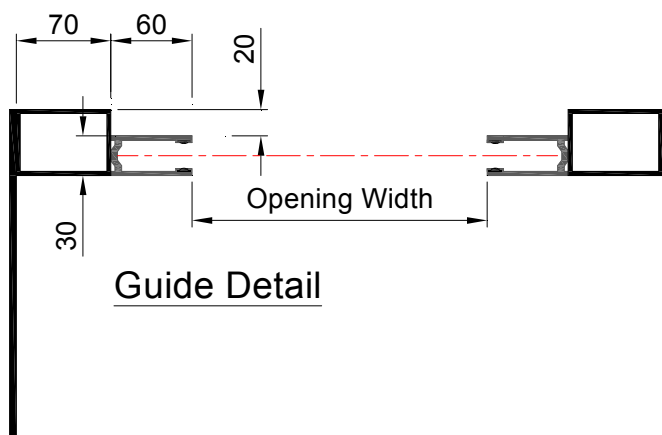

### SPECIFICATION

Fortress with its policy of ongoing product development through good design, is proud to introduce a door with a difference the Fortress Clearview.

The CV range is uniquely designed with virtually 100% visibility, and their aim is to enhance your premises 24 hours a day. This product can be installed internally or externally and can be easily operated.

The Clearview is made up from 2mm thick polycarbonate strips linked together with aluminium extrusions which provide excellent security. The polycarbonate strips are treated to protect against the damaging effect of UV Rays.

The Clearview Elegance runs in aluminium guides that are fitted with anti-chatter strips on both sides to ensure the smooth operation of the door.
